Dear Mr Jackson

Thank you so much for your continued generous support of The Children's Hospital at Westmead. I am pleased to enclose a copy of our 2009 Annual Review for your perusal.

2009 proved to be an amazing year for us with many accomplishments made possible because of the generous support of our donors. One highlight of the year stands out - the installation and opening of our bi-plane angiography suite – (featured in the story Surgery without Scars). This amazing project was facilitated through the generosity of one of our major supporters, the Sargent's Pies Charitable Foundation.

There are innumerable projects across the Hospital which are similarly reliant on your generous contributions; the difference made to the lives of seriously ill children and their families through your support as you will read is very tangible.

We have been caring for sick children since 1880. A lot has changed since then but our commitment to the health of the children of this state remains strong. The next era in healthcare will undoubtedly bring many more challenges. I look forward to The Children's Hospital at Westmead embracing new technologies, innovative treatments and cutting edge research that will all deliver better outcomes for the seriously ill children.

I would like to sincerely thank you for your commitment to The Children's Hospital at Westmead. Your invaluable support is facilitating better health for precious young lives and I look forward to continuing our partnership for this tremendous important cause.

I do hope you enjoy reading the annual review, should you have any feedback, please do not hesitate to contact Hazel Grunwaldt in the Fundraising team on 02 9845 3772 or email hazelg@chw.edu.au

Best wishes
